

**BOWMORE
SCHOOL
COUNCIL**

Dear Bowmore Parents:

In order to keep you informed about Bowmore School Council initiatives, extracurricular activities and school-wide events, the Bowmore School Council is introducing a weekly email starting on Monday October 30th, 2017. This email will come from a parent-volunteer in your child's classroom.

Subscribing to these weekly communications is particularly important because the Bowmore School Council will no longer share certain information, such as the details of offsite student events and field trips, on its Facebook page due to TDSB regulations.

If you wish to receive email communications from the Bowmore School Council, please return this form to your child's teacher with your name and email address on it.

Thank you,

Lyndsey Camps and Andrea Maugham
Bowmore School Council Co-Chairs

By providing the email address(es) below, I consent to receiving emails from the Bowmore School Council regarding school events and fundraising initiatives. I understand that I can withdraw my consent at any time.
